THE RACE

The idea of organizing a race in a wonderful area like Aosta Valley was born from the passion, skills and competencies of **Roberto Crugnola**, event manager for 25 years, who has been participating in and preparing regularity races for over 10 years. These are the assumptions that will lead guests to travel along roads across towns such as Courmayeur, La Salle, Morgex, La Thuile, Aosta, Chatillon. From **Monte Bianco** to the **Passo San Carlo** up to the **Gran San Bernardo**. Climbs, descents and hairpin bends with 100 precision trials for more demanding competitors.

And finally...

... the “dolce vita” in the wonderful 5 stars **Relais Mont Blanc** that, by a participants demand, returns with a SPA carved into the rock available both during the days of the race and throughout Sunday.
